1. THE ORIGIN OF PEACE

The present president and executive director of PEACE Mr. Bhikari Charana Behera had been participating in different social activities like cleaning of medicals, streets at muddy, school building at dirty during his schooling period in remote tribal pocket Mohana under so called Ganjam district of Odisha in Indian soil. His college period is covered by participating and leading the social and cultural activities amongst the students. He was elected the President of a registered social institution namely Maharaja Krushnachandra Gajapati Yubak Sangha, Mohana during 1984-86 and then secretary of Neelachala Sanskrutika Sangha, Mohana during 1987-90. The knowledge and experience of both the organizations and activities in the colleges mass boast him to start a statewide network organization namely PEACE involving a group of dedicated social minded people during 1993-94. The activities of PEACE has been started just after the registration during 1993-94 in Ganjam and Gajapati district.

2. LEGAL STATUS

PEACE a society registered under Societies Registration Act (XXI), 1860 at Ganjam District of Odisha, afterwards it reregistered under IGR, Cuttack, Odisha. Income Tax Act, 12AA and Income Tax Act, 80G.

OUR ENDEAVOUR

Livelihood Reconstruction through Agriculture Restoration Activities and proper utilization of water, introduction of Non-farm activities with a Modern Ideas and Techniques, Health, Education, Women Development, Economic Rehabilitation and Resettlement of different Project's Affected Persons are the major Endeavour of PEACE

3. VISION & MISSION

a. OUR VISION

To build up a just and self- reliant society based on social values.

b. OUR MISSION

To restore human dignity of the deprived poor, under privileged Scheduled-tribe, Scheduled-caste and other marginalized communities, through the process of Socio-Economic and Political empowerment and emancipation.

c. OUR CONCERN

Empowerment of the tribal and marginalised groups like Schedule Tribe, Schedule Caste is the measure concern of PEACE.

4. OUR STRATEGY AND APPROACH

Decentralised planning and participatory process of implementing various action programs is the basic methodology of PEACE. Every human is born with certain capabilities. Hence self sustained them in transference manner is our motto. Development approach is basically the approach of PEACE. It honors the indigenous know how of the community for whom it works.

While working with community, PEACE is not only concerned with the outcome of an implemented program, rather apprehensive with the result/goal of such program through participatory approach. The strategic approach for development of a community is of two ways: first, community approach i.e. when the community is considered as one unit, the families and individuals are involuntarily included in the process of development. Second, individual approach i.e. each individuals are considered as units of development which evidently a cause for the development of that family as well as of the community.

PEACE adopted both the approaches considering the situation and opportunity in its program areas.

7. INFORMATION, EDUCATION & COMMUNICATION....

The following activities are taken by the staffs of PEACE under the banner of Important of IEC by PEACE.

INSTITUTIONAL DELIVERY FOR A MOTHER

An Institutional Delivery gives many benefits like many complications of childbirth can be avoided if delivery takes place in an institution. First 24 hours after delivery are crucial for mothers and newborns. Both should be taken proper care under supervision of Doctor and Nurse. Government has given some fixed amount of money to Mothers who has delivered at Govt. institution.

NUTRITIONAL DIET FOR A MOTHER

Understand why a pregnant woman needs special care including Nutritious meals & rest. A Pregnant woman needs to eat more food so her baby can grow, she should eat one more serving at each meal. And there is no food prohibited for her, she should eat all types of food. Eating Nutritious food such as: Milk, Fruit, Pulses, Eggs, Jaggery, Green Leafy Vegetables, Kaala Chana, Meat etc. during pregnancy will make full strong physically and mentally.

SWACHH BHARAT

Under the banner of Swachh Bharat the volunteers of PEACE taken many more activities like littering and Dispose garbage properly, Maintain Hygiene, Say No to Plastic etc.

Under this banner the village people are also motivated to develop avenue plantation in Mohana and Nuagada block.

Awareness on COVID-19 (CORONA VIRUS)

Coronavirus disease (COVID-19) is an infectious disease caused by the SARS-CoV-2 virus. Most people who fall sick with COVID-19 will experience mild to moderate symptoms and recover without special treatment. However, some will become seriously ill and require medical attention.

HOW IT SPREADS

The virus can spread from an infected person's mouth or nose in small liquid particles when they cough, sneeze, speak, sing or breathe. These particles range from larger respiratory droplets to smaller aerosols.

You can be infected by breathing in the virus if you are near someone who has COVID-19, or by touching a contaminated surface and then your eyes, nose or mouth. The virus spreads more easily indoors and in crowded settings.

Preventive Steps for COVID-19

The entire team of PEACE takes the following steps to prevent from COVID-19 in Gajapati District.

1. Create awareness on 5 steps of Hand wash
2. Maintaining social distance among the people
3. Using Mask properly
4. Convince the people on important of Sanitization

AROGYA PLUS

Nuagada Block is one of the sub plan Block of Odisha under the District of Gajapati. Most of the villages are situated in very inaccessible pockets where there is no communication facility for the people to reach medical facility centers at the time of need. The Gram Panchayata namely Anuguru, Kirama, Sambalapur, Udayapur and Sundardanga are the most interior pockets where there are no health facilities available due to lack of communications.

Hence PEACE is decided to start a Mobile Health Unit namely Arogyaplus to provide health facilities at doorstep of the people. A team of health
